A Plan of Action to End Hunger in America

Eight strategies that focus on:

- A strong economy that shares prosperity
- Strong public programs
- Political will

Step 1

Create jobs, raise wages, increase opportunity, and share prosperity

Step 2

Improve government income-support programs for struggling families

Step 3

Strengthen the Supplemental Nutrition Assistance Program (SNAP)

Strategy 4

Strengthen the Child Nutrition Programs

Step 5

Target supports to especially vulnerable populations, such as seniors, immigrants, struggling veterans, and people with disabilities

Strategy 6

Work with states, localities, and nonprofits to expand and improve participation in federal nutrition programs

Step 7

Make sure all families have convenient access to reasonably priced, healthy food

Step 8

Build Political Will
